### Freelance

#### Iowa Coalition Against Domestic Violence (ICADV) Completed March 2011

Redesign the web site www.icadv.org to be clean, attractive and easy to navigate. The new site will be the place for members to find materials and events while also providing victims a place to find help. This project also included an update to their logo and a microsite for www.iowaman.org.

### Employment

#### EDJE Technologies Web Designer, Indianola, IA September 2010 to Present
